Honorable Mention

Summer Recreation Program

By Liam Wilde

3rd Grade: Jeff Weinhold, Teacher

The thing I like most about living in Franklin Township is the summer recreation program. It is a lot of fun because you get to different events every day. It is also good to go there as a new student. When I was a new student and went there it was good for me because I met new people and got a little taste of what the school is like. It is also a great way to make new friends. (I met my best friend there.)

The camp has events like roller skating day where they take you to the Frenchtown Roller Rink. That is my favorite day. My favorite activity is dodge ball. You will also be delighted with Olympic Day where you pick a team color and team name! There is a "fake an injury day" where you put a cast or something on. Last year I did a black eye. Another fun day is twin day. My best friend Ryan and I dressed up as twins by wearing the same clothes and spiking our hair. You can also participate in the talent show where you can sing and dance and do gymnastics with mats that they have. Two years ago I sang a Beach Boys song called "Barbara Ann." It was so much fun! I also loved playing capture the flag. You can bring your basketballs to the after-camp and play some basketball. At the end of the week they have a carnival where you play games that 5th, 6th, and 7th graders made. The object of the game is to get candy and tickets. You can use tickets to get prizes.

I hope to see you there ☺
